Dear Produce Grower:

If you sell locally grown fruits, vegetables, herbs, and/or honey, and wish to re-enroll or enroll in the Senior Farmers' Market Nutrition Program (SFMNP) and the Women, Infants, and Children Farmers' Market Nutrition Program (WIC FMNP), you must attend a one-hour interactive farmer training session in order to be certified to accept 2014 SFMNP and WIC FMNP coupons. If you enrolled in the SFMNP in 2011, your certification period for both programs has expired, and it is time to re-enroll. If you wish to become certified, enrollment is also necessary.

Trainings will be conducted via a webinar, which requires high speed Internet access. If you do not have access to a computer, please contact your local library or talk to a friend or relative who may have a computer with high speed Internet access. If your computer does not have sound, you will have to dial the phone number and enter the access code corresponding to each training session. This information will be provided to you when you pre-register.

Below is a listing of the dates and times of each webinar. **If you are going to participate, you must pre-register for one of the webinars by April 20, 2014.** Select the webinar you would like to attend and enter the corresponding URL into your web browser to pre-register. **Please note that when logging on to attend your desired webinar session, you must use the same computer you accessed when you completed your pre-registration process.** The webinar dates, times, and URL locations are as follows:

Monday, April 21 12:00 – 1:00 p.m. (Central Time) http://bit.ly/fmnp104	Tuesday, April 22 6:00 – 7:00 p.m. (Central Time) http://bit.ly/fmnp105
Wednesday, April 23 6:00 – 7:00 p.m. (Central Time) http://bit.ly/fmnp106	Tuesday, April 29 9:00 – 10:00 a.m. (Central Time) http://bit.ly/fmnp107

At the completion of the webinar, you must sign and date the last page of our farmer agreement, and the U.S. Citizen Attestation Form, which can be found at www.ourbesttoyou.nebraska.gov. Please mail both signed documents to the Nebraska Department of Agriculture's address, which can be found on the web site. **We must receive a signed copy of both forms before May 31, 2014.**
